

# Desktop Fetal Doppler

**BT-250**

## Low Noise & Clear sound

Louder and better sound than handheld doppler. (5W)

## Trend data save

Store data up to 4 hours and up to 15 patients.

## Large display

Larger display than handheld Doppler enables to show more information on the screen.

## Portability

Rechargeable battery and compact design makes portable use.

## Central Monitoring Software

Works on BCM-350 software along with other Fetal monitors.

# BISTOS Fetal Dopplers and Vascular Doppler Technical Specification

Category	Fetal Doppler		
Model	BT-200		
Order code	200S	200L	200C
Frequency (MHz)	2	2	2
Detection Range (BPM)	50 - 240	50 - 240	50 - 240
Audio Output (W)	1.2	1.2	1.2
Headphone Output	●	●	●
Interchangeable probe			
Waterproof probe	IP X 7	IP X 7	IP X 7
